Collaboration with Tema Foundation & Umg Uysal - BioHorizons

Environmentally-friendly Symposium - BioHorizons International Symposium Series 2017 has its own "Memorial Forest". In the scope of the Project, we will give sapling donation certification to each participant for their contribution to the symposium. Certifications will be prepared on behalf of the participants. You may take your certifications from the registration desk.

Tema Vakfı & Umg Uysal - BioHorizons İşbirliği

BioHorizons Uluslararası Sempozyum Serileri 2017 Türkiye - Çevre Dostu Sempozyumu kapsamında "Hatıra Ormanı" projesiyle her bir katılımcıya kendi adlarına düzenlenmiş "Tema Vakfı Fidan Sertifikası" verilecektir. Katılımcılar sertifikalarını kayıt masasından alabilirler.

Dear Clinicians,

Please join us on October 5-8, 2017 at the prestigious Rixos Sungate Hotel in Antalya, Turkey, for the BioHorizons International Symposium Series Turkey. The Symposium will address a wide range of dental implant controversies including hard and soft tissue regeneration, digital workflow and a variety of implant topics such as immediate loading, optimizing esthetic outcomes and complications management. The objective is to provide an invaluable learning experience and opportunity to spend quality time with your colleagues in a relaxing environment.

Please do not hesitate to contact the Symposium staff if we can be of assistance.

On behalf of BioHorizons and the UMG Uysal, thank you for your support of this program and we look forward to seeing you in Antalya!
